Please do not enter this competition, or participate in this event in any other way, if you do not fully accept the following conditions: I, the undersigned, know that running is an action sport carrying significant risk of personal injury. Racing and competing in this sport is even more dangerous. I know there are manmade and natural obstacles and hazards, surface and environmental conditions and risks, which in combination with my actions can cause me very severe or occasionally, fatal, injury. I agree that I, as a participant, must take an active role in understanding and accepting these risks, conditions and hazards. I also agree that I (and not the Town of Gardiner or the Walkkill Valley Rail Trail) am responsible for my safety while I train for or participate in this event.
